MEMORANDUM FOR: Chief, Military Personnel Division
Attention: [redacted]

THROUGH : Chief, Records Integration, FI/DOF

SUBJECT : Request for Air Force Top Secret Courier Orders
[redacted]

1. It is requested that Air Force TOP Secret courier orders be issued for subject employee who is departing the XI Sunday, 1 July 1956, for Frankfurt, Germany.

2. Certain sensitive financial records are now being prepared in Project Headquarters and are urgently needed in the field in order that overdue financial reports may be submitted. These records will comprise a small package of approximately five (5) pounds in weight and will be handcarried in a brief case. Due to the time involved in preparation and the urgent requirement that these records be immediately available in the field, it is proposed that they be handcarried by subject, and we would appreciate receiving the usual Courier Appointment letter and brief case identification tag. Although the fact that [redacted] is carrying this material would not be embarrassing to the subject, and he realizes that the courier order does not guarantee immunity from customs search, it is felt that such orders will adequately cover this particular situation.
